

Pursuant to Article 24, Paragraph (1), Indent 3) and Article 163 of the Law on Electronic Communications (The Official Gazette of the Republic of Macedonia No. 39/2014), the Director of the Agency for Electronic Communications, on 13.11.2014, adopted the following

R U L E B O O K

on the Layout and the Contents of the Application for Consent for Placing on the Market and Putting into Service of Radio Equipment Operated on Radio Frequency Bands Not Harmonized at the EU Level

Article 1

This Rulebook regulates the layout and the contents as well as the documentation required to be submitted for the Application for Consent for Placing on the Market and Putting into Service of Radio Equipment Operated on Radio Frequency Bands Not Harmonized at the EU Level (hereinafter: Application), in accordance with the regulations of the European Conference of Postal and Telecommunications Administrations (CEPT) and other international rules and regulations adopted by the Republic of Macedonia.

Article 2

(1) The Application shall include the following information:

- Applicant's name and address;
- contact person;
- name of the radio equipment, its manufacturer, intended use and technical parameters;
- radio frequency bands, channel arrangements, modulation type;
- maximum transmit power, and
- identification number of the authorised person for conformity.

(2) The Application Form is hereto annexed in Appendix 1 to this Rulebook as its integral part.

(3) In order to obtain the Consent for Placing on the Market and Putting into Service of Radio Equipment Operated on Radio Frequency Bands Not Harmonized at the EU Level (hereinafter: Consent), the Applicant shall submit to the Agency for Electronic Communications (hereinafter: Agency) the following documentation:

- completed Application Form as provided in Appendix 1 to this Rulebook; and
- Declaration of Conformity by the equipment manufacturer.

(4) The Application shall be submitted to the Agency within no less than 30 days of the planned date of placing on the market or putting into service of the radio equipment.

Article 3

This Rulebook shall enter into force on the day of its publication in the Official Gazette of the Republic of Macedonia.

Upon its entry into force, this Rulebook shall be published on the web site of the Agency for Electronic Communications.

No. 0201-1307/3

13.11.2014

Skopje

Director,

Robert Ordanoski

APPENDIX 1:

To: **AGENCY FOR ELECTRONIC COMMUNICATIONS**

кеј Dimitar Vlahov br. 13

1000 Skopje

Б А Р А Њ Е

**за согласност за пуштање на пазар и ставање во употреба на радио опрема
која користи радиофреквенциски опсези што не се хармонизирани
на ниво на Европската унија**

A P P L I C A T I O N

*for consent for placing on the market and putting into service of radio equipment
operated on radio frequency bands not harmonized at the EU level*
